About Us

Sarginson Garden and Tree Services is an established and progressive company based in the East of England. We provide a complete and professional Arboricultural service to both domestic and commercial clients and are dedicated specialists in the preservation and maintenance of trees.

We believe in offering the most cost-effective solutions for the long-term management of your trees. We have qualified, experienced and highly skilled operational Arborists who can deliver a superb service offering excellent value for money. All our tree works are conducted to completely satisfy the requirements of BS3998 (1989) and comply with industry best practice and current Arboricultural standards.

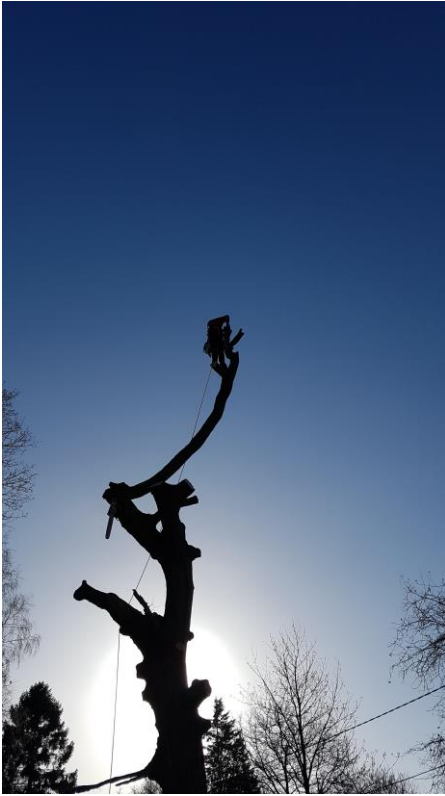

Tree preservation Orders (T.P.O.) and Conservation Areas

We can act as an authorized agent for clients dealing with applications for tree works covered by T.P.O. and within Conservation

Services**

Our time, gives you time!

Risk Assessment

Every job is covered by a detailed risk assessment which is available upon request.

Method Statement

Detailed method statement which is available on request.

British Standards

All tree pruning has an impact upon tree health and there needs to be good justification for it. We will do any necessary work in line with current British Standards: BS 3998 (1989) 'Recommendations for Tree Work'.

“Fantastic work done by Travis and Craig! Serious work on T.P.O. trees and lots of more general felling and pruning. I would unreservedly recommend them, particularly where sensitivity matters”

Recycling Waste

We recycle 95% of our waste.

***Insurance Details**

We operate with £5 million Public Liability Insurance and £10 million Employers Liability Insurance.

Equality & Diversity Policy

Sarginson Garden and Tree Services are committed to promoting equal opportunities, valuing diversity and tackling social exclusion in everything it does. Our aim is equality for everyone including workers, customers and the general public, we will shape our services and employment practices accordingly. We recognise that we must have a workforce that is as diverse as the community we live in, so that we can provide the most effective services.
